

February 4, 2020

There are three types of people in this world - people that make things happen, people that watch things happen, and people that just wonder what happened." Our students clearly belong to the first category. We are not educating our children to become bystanders – they were born for greater things. Every one of them. We see genius in every child. This is most evident in their performance on competitive platforms.

It is my great pleasure to share with you the joy and achievements of our outstanding young talents. In a span of just one month, we have had 219 students who have won awards and accolades at various inter-school competitions.

BEACH CLEAN-UP DRIVE BY THE STUDENTS OF KG TO GRADE 2

The Clean Up Drive at Al Khan Beach near the Sharjah Aquarium on 18th January, has brought in awareness amongst the students to keep our environment clean. Students, parents and teachers participated in this activity.

The purpose of the visit was to participate in the clean-up campaign program joining hands with Bee ah's effort to reduce plastic and non-biodegradable waste thus in helping the survival of various marine animals.

By participating in this activity the students learnt many things:

1. Waste should be thrown only in dust bins
2. The ill effects that plastic waste has on marine life and polluting the environment
3. Realized the importance of reducing the usage of plastics
4. To be more responsible
5. Team Work and
6. The need to use reusable water bottles.
